# Membership

## Definitely Has Its Privileges

You can't buy a membership — you have to earn it. And if you're 50 years of age or over, you already have!

### Welcome to the 50+ Health Connection Program

Designed with the needs of active, older adults in mind, the 50+ Health Connection Program at Methodist Hospital offers members a wide array of services. At Methodist Hospital we aim to keep you healthy and better informed on your health care options. You'll save money through program discounts on many health-related products and services including prescription drugs, dentistry, optometry, hearing aids and our exclusive Active Health Fitness Program. Our newsletter is mailed to your home every other month. It provides the very latest discounts available, as well as a listing of health education classes, up-to-the-minute wellness alerts and more! We even offer free counseling on insurance options and health plan selection based on your individual needs. The 50+ health program is not a medical insurance, but a free membership program.

Best of all, membership in the 50+ Health Connection Program is free to those 50 years of age and older. To join, you'll need to complete and return the attached membership application. You'll enjoy all the program's services and benefits as soon as your application is processed — there is no waiting period.

So start enjoying the privileges of membership soon. Just fill out and mail in the attached card — and welcome to the club! For more information, please call our 50+ office at (626) 574-3733.
