The following pages are the Methodist Hospital of Southern Financial Assistance Program Application complete with the related instructions and includes the Medi-Cal Screening document.
Financial Assistance Program

If you need help paying for your medical services you may be eligible for Methodist Hospital’s Financial Assistance Program. Please use this brochure to help determine if you qualify, as well as to apply for financial assistance. The Financial Assistance Program is a discretionary program offered by Methodist Hospital to all patients for services that are medically necessary. You must apply within six months of when you received the services you are applying for.

Applying for the Financial Assistance Program

You must meet the following criteria to be eligible for the Financial Assistance Program:

**Types of Care:** You must be receiving medically necessary services.

**Other Payer Sources:** We recommend that you apply for any private or public sector sources of medical financial assistance for which you’re eligible, such as Medi-Cal or Healthy Families. You may be required to submit documentation of your application (or of the approval or denial of your application) to those sources. For services received which are the result of an accident you must show proof that there was no settlement before financial assistance can be considered.

**Income:** Your household income must be at or below 350 percent of the Federal Poverty Guidelines (FPG).
Special Circumstances: If you have unusually high medical costs or you’ve experienced a catastrophic event, you may be eligible for the Financial Assistance Program under special circumstances, regardless of whether you meet the household income requirements described above. To qualify, you’ll need to provide income documentation and copies of your out-of-pocket medical expenses for the past 12 months indicating that these expenses equal 10 percent or more of your annual gross income.

Please note: Not all medical expenses qualify for financial assistance. Exclusions include, but are not limited to, expenses for premiums and dues, optical and hearing aids, medical supplies, health education classes, transportation, over-the-counter drugs and lifestyle medications (fertility, cosmetic, etc.).
