Methodist Hospital enjoyed an amazing year in 2018. We marked the beginning of our seventh decade serving the San Gabriel Valley by acquiring our Comprehensive Stroke Center Certification from independent rating agency DNV GL. Methodist Hospital is now one of only 18 hospitals to be part of the Los Angeles County Emergency Medical Services (LAC/EMS) network of approved stroke centers countywide.

We are so proud of our hospital stroke team for their tremendous efforts to acquire this certification. This is a new milestone in our pursuit of excellence in stroke care and one that took an incredible amount of time and coordination. The new certification means our stroke patient volumes will rise at our hospital, with our talented team continuing to provide patients high-quality care and early intervention, which greatly increases the opportunity for a positive outcome.

Methodist Hospital also opened our new Joint and Spine Pavilion in April to enable the hospital to better collaborate with surgeons and provide customized orthopedic care for patients, leading to optimal outcomes and a more active lifestyle. As you likely know, our hospital already offers a full range of high quality surgical orthopedic services, so the new Joint and Spine Pavilion has further enhanced the hospital’s outstanding orthopedic care, which includes total joint replacement, spine surgery, fracture care, and physical rehabilitation.

Finally, we were once again proud to be recognized for being among the top 1% of hospitals in the U.S. recognized on The SafeCare Group’s list of the safest hospitals. Methodist Hospital has been ranked as a SafeCare Top 100 hospital for four consecutive years (2015, 2016, 2017, 2018). The SafeCare rankings were created using evidenced-based research to find hospitals with low rates of infection, complications, and readmissions.

No matter the size and scope of our services, we could not be successful with any of these endeavors without the full support of our talented doctors, nurses, employees, volunteers and – of course – our respective Hospital Board of Directors and the Foundation Board of Directors. The philanthropic gifts from our “investors” provide us with the means to purchase the modern technologies and newest equipment so that our gifted and capable clinicians can provide care to all of those who entrust us in their time of need.

Thank you for all of the contributions you have made to the organization – both personal and philanthropic. Whether you are a doctor, nurse, employee, board member, donor or volunteer, you have made a positive difference with the way we deliver patient care, as well as increasing the health status of our community. Thank you always for your generosity.

2018 IN-KIND CONTRIBUTIONS

Methodist Hospital Foundation welcomes the donation of in-kind contributions to support the healing mission of our not-for-profit hospital. In-kind donations include gifts of medical equipment and other useful items and items donated for special event auctions. The list does not include the many in-kind gifts to the hospital’s auxiliaries and support groups.
We offer our gratitude to endowment donors whose generous contributions support our hospital today and for generations to come. Contributions to these endowments operate in perpetuity – the original gift is invested and only the earnings are used to support its designated purpose. A memorial endowment fund provides the opportunity to create an enduring fund that will enable you to remember your loved one far into the future. Your endowment will perpetuate your support of the health care mission of Methodist Hospital.
